Sligro reports about initiatives and performance related to sustainability. Based on the work undertaken, we conclude that the claims and information portrayed through CSR Report Bronze in the FIRA Platform are reliable.

Summary FIRA Comments

We compliment Sligro on initiatives undertaken. Please find a summary of the comments (accomplishments and/or opportunities for improvement) published in in the FIRA Platform below:

- **Balance & Completeness:** We compliment Sligro on growing its sustainable product assortment, including attention for fair pricing, animal welfare and organic products. Other practices are focused on climate change, healthy food alternatives, food safety, and social responsible procurement. We encourage Sligro to disclose practices on prevention of food waste, use of packaging, promoting sustainable consumption, and on sustainable employability (health and safety, vitality, diversity and equal opportunity).
- **Code of Conduct:** We encourage Sligro to develop a company code of conduct.
- **Commitment to CSR:** Sligro has committed to the template CSR declaration, including commitment to all CSR principles and to progress on material issues. We encourage Sligro to work on a company specific declaration.
- **Value Chain:** The Sligro value chain is evolving but not yet complete (due to quantity of products and suppliers). We encourage Sligro to continue to elaborate its supply chain (upstream) and to address relevant CSR issues.
